

A modern office interior featuring a light-colored wood-look resilient flooring. The space includes a long white shelving unit with green plants on the left, a glass-walled meeting room in the background, and a lounge area with a green armchair and an orange ottoman on the right. The ceiling has exposed ductwork and large circular pendant lights.

ARDEN TRACE

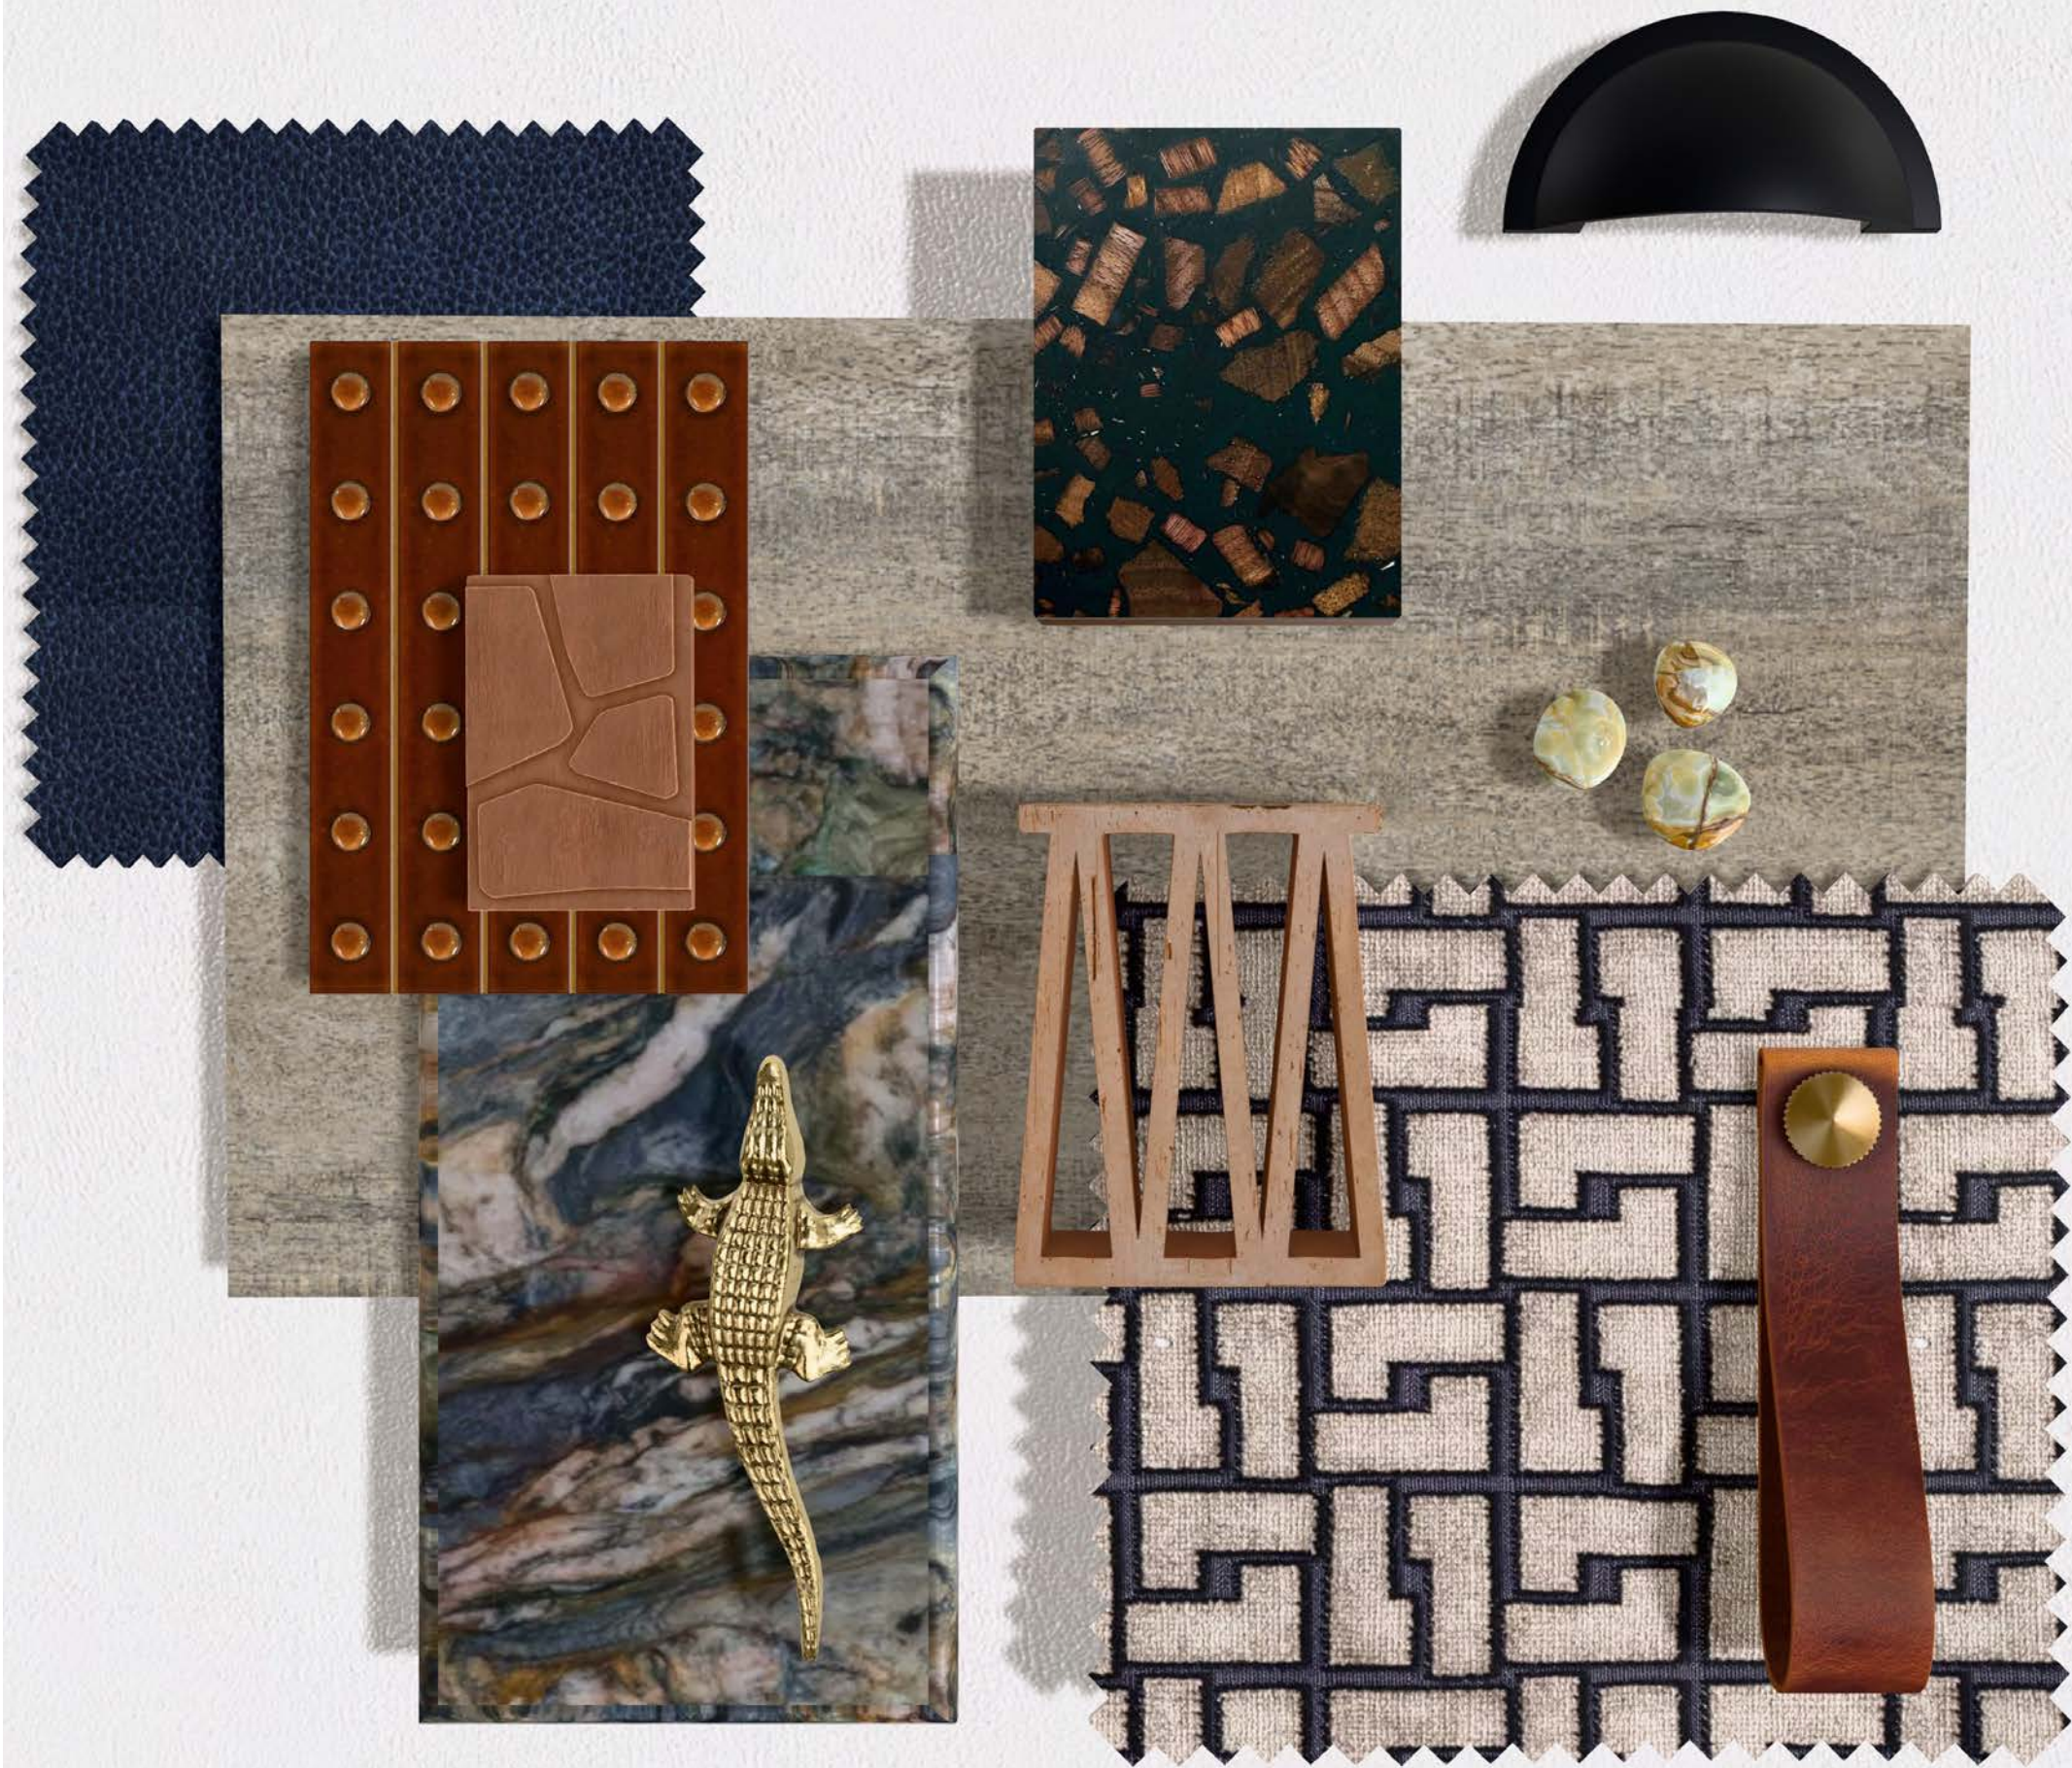

A LUXURY RESILIENT FLOORING COLLECTION

Brintons

ARDEN TRACE

Tapping in to the natural patterns of the world's forests, Arden

Trace by Brintons brings the hidden grains of ancient trees to luxury resilient flooring.

Why Brintons?

Steeped in heritage, we are a global luxury brand and a trusted name in the soft flooring world. Arden Trace offers the opportunity to specify hard flooring with the confidence of Brintons' service and experience.

Engineered with advanced SPC technology and a robust protective layer for exceptional durability and stability, Arden Trace is built to withstand the demands of everyday environments. Designed for lasting performance and versatility, it's an ideal solution for a wide range of applications where resilient flooring is essential.
