

Stacy Garcia®
Speakeasy

Brintons

Gilded staircases...Ornamental facades...Lavish entryways.
The roaring twenties were characterized by decorative elegance,
refined glamour - and an undeniable undercurrent of fun.
If you listen closely, you can still hear the echoes of jazz
music playing in the underground scene, where bootleg
liquor flows freely, flappers dance with reckless abandon,
and rebellious spirits can *speakeasy*.

Influenced by the refined luxury and lavish decadence of the fun, self-indulgent Roaring Twenties, Speakeasy brings the crisp symmetry and industrial angles of Art Deco style to life.

Drawing inspiration from New York landmarks, Speakeasy was created in collaboration with Brintons. Embellished with the look of precious metals, sparkling glass, gold finishes, chrome textures and tortoise shell, Speakeasy speaks of optimism, hopefulness and refined elegance.

Trusted by the industry's leading hospitality designers and product manufacturers, the Stacy Garcia brand produces distinctive collections with a refined point of view.

Our mission is to empower and inspire designers to create distinctive environments that add a sense of wonder to the experience of life. And our vision is to inspire people across the world and close to home, to create and live their best possible lives.
