 QuickWeave™
collection

Brintons revives a mix of the most popular Stacy Garcia patterns to create the collaborators' first-ever *Stacy Garcia QuickWeave* collection.

Fourteen reimagined designs create a fresh look while honoring the traditional elements that first inspired them. Offering a wide range of textures from intricate geometrics to large organics and a rich color palette of deep blues, subtle purples, and various golds, it's as if these designs were always meant to be together.

QuickWeave allows for a semi-custom expedited solution for small projects. Recolor this *Stacy Garcia QuickWeave* collection with six unique palette options on Brintons Design Studio Online (DSO).
