Date
2023
Designer
Judy Watson
Photography
Brintons

The Brintons design team partnered closely with Waanyi artist, Judy Watson, to translate her artistic vision for the floors of the Thomas Dixon Centre into a custom Axminster masterpiece.

Drawing inspiration from the intricate patterns found in nature and the nuanced narratives embedded within Indigenous culture, the collaborative process seamlessly integrated Watson's unique artistic language with Brintons' technical expertise.

Not only elevating the aesthetic allure of the space but also fostering a deeper sense of connection to Indigenous culture and storytelling.
